**INSURANCE****Boca Raton executive  
named to insurance board**

Boca Raton-based Century Risk Advisors announced that its chairman, Ron Reshefsky, was appointed to the board of directors of Besso Insurance Group Ltd., a Lloyd's of London broker. Besso is a global insurance company that has recently expanded into worldwide reinsurance.

"We are delighted to have Ron Reshefsky on our Board. He brings a vast wealth of experience, both with his knowledge of the marketplace and his working with the Besso Group over many years," said Colin Bird, chairman and chief executive of Besso Insurance Group in a written statement.

Century Risk Advisors designs risk-management and insurance programs that mitigate risks if they cannot be eliminated or transferred.
