## Century Risk Advisors Launches Professional Liability Division

April 7, 2014

Century Risk Advisors (CRA), an independent brokerage and risk management agency, has launched a new Professional Practice Division that will specialize in creating risk management and insurance programs for law firms, accounting firms, and other professional practices. The new division will specialize in the areas of property and casualty, professional liability, E&O, employment practices liability, management/directors and officers liability and fiduciary liability.

David Josefsberg has joined the agency as a partner and will be responsible for overseeing and managing the day to day operations of the new Professional Practice Division. He will work with CRA executives and staff to expand the agency's presence nationwide.
